**ABILITIES**

**Shield of Faith:** Models with the Shield of Faith ability have a 6+ invulnerable save. In addition, units with the Shield of Faith ability can attempt to deny one psychic power in each Psychic phase in the same manner as a PSYKER. However, if they do so, instead of rolling 2D6, only roll a single D6; the psychic power is resisted if the roll is greater than the result of the Psychic test that manifested the power.

**Simulacrum Imperialis:** Roll a D6 at the start of each battle round; on a 4+ you can pick a friendly ADEPTUS SORORITAS unit within 6" of this model and perform an additional Act of Faith with it in this battle round.

**Act of Faith:** Every battle round, one of your Battle Sisters can perform an Act of Faith chosen from the following list. Some abilities may allow you to use more than one Act of Faith in the same turn; when this is the case, a different unit must be chosen to perform each Act of Faith.

**Hand of the Emperor:** At the end of the movement phase, this unit can make an additional *normal move*.

**Divine Guidance:** At the end of the shooting phase, this unit can shoot a second time.

**The Passion:** At the end of the fight phase, this unit can attack a second time, but not pile in or consolidate.
